

A Soldiers Prayer

words + music by
Brenda McLay

① Help me through a-no-ther day with you; give me the

Strength to be a sol-dier of the free; an-gels a-

round me Keep light in my soul, joy in my feet

Let dark-ness fail; evil to fall; mer-cy to reign; peace to pre-vail.

② All a-round, I hear the sim-ple sound ri-sing a-

bove the din; You reach to call me in; an-gels a-

round me Keep faith in my stride, steady my feet

Let dark-ness fail; e-vil to fall; mer-cy to reign; peace to pre-vail.

③

I let go; all that I want to know is that you're
with me now; all that I gave mat-ters some-how

④

Take my hand, I can no long-er stand; E-ven with

pain right through, I still be-lieve in you; an-gels a-

round me keep; lift up my soul; lay me to sleep

Let dark-ness fail; this is my prayer, mercy will reign, peace will pre-vail
